

1. Prepare a sock.

2. Turn the inner side of the sock out and place like the image above.

3. Use a pencil to mark the line. This part is for the head and ears.

4. Sew along the line that marked earlier.

5. Cut away the top. Leave about 2mm away from the line that sew.

6. Cut away the bottom/toes part of the sock.

7. Turn the sock back.

8. Fill the sock with cotton and shape it.

9. Sew the bottom to close it.

10. This is how it look after closing the bottom.

11. Now, cut two piece of felt cloth for the eyes and a small piece for the mouth. Glue them. Sew the eyes and the 'feather'. My little owl is BORN!
