

Chameleon Steps

1. Draw a half football

2. Add a bump, a mouth and an eye

3. Add a big spiral that starts at the top of the head.

4. At the end of the spiral, start with a point following the spiral that gets bigger
* Connect spiral at the bottom of the head

5. Add 2 feet to your chameleon

6. Draw lines that separate the chameleon's body, all the way down the tail
