

Sarah Says...

This stationery set will be such a treat to stitch. I love the beautiful colours that Lesley has used – the bold oranges in the peacock's tail really stand out next to the azure blue of the bird's body. I'm going to stitch myself the coaster and notebook cover, so that I have a matching set to use at work. The coaster will match my favourite coffee mug perfectly, and my gorgeous notebook will be the talk of all our meetings!
