

E26 PEEPING POOH AND FRIENDS

To Start:-

Find the right side of the fabric - the indentations between the scallops are more raised on the right side. Oversew the top and bottom edges of the Aida band, as it frays easily.

Please stitch using 2 strands unless otherwise stated.

To Finish:-

Iron the bookmark on the wrong side.

Cut a piece of thin white card 17cm long and 3.5cm wide. (The ribbon in this kit is the nearest width available to Aida band).

Fold the bookmark, top and bottom, as shown in Diagrams 1 and 2.

The bookmark should now measure approx. 17.5cm long. With the wrong side facing attach the tassel centrally and approx. 5mm up from the bottom folded edge using small neat stitches. Fold and iron the ribbon the same way as the bookmark, but slightly shorter. Stitch the ribbon with small neat stitches to the back of the bookmark.

Slip the card between the bookmark and ribbon as you sew.
