Assembly Instructions Paper Pet T-Rex

1. Print out your T-rex on regular paper or cardstock.
Color it the way you like it.
2. Cut out all the pieces. Start with the body, then the tail.
3. Fold all the dashed lines.
4. Put glue on all the tabs marked with a G.
5. First glue T-rex back, head, stomach, chin to the tabs for the body.
6. Then glue the tails parts to the tabs on the tail.
7. Glue the tail to the body by putting glue on the part of the tail marked T and glue it to the part of the T-rex marked with a T on the T-rex body.
