

The Gi

The enemies of David's people came out to fight.
They sent the Goliath to fight David.

His name was Goliath.
He was over nine feet tall.

He called to the Israelites and said,
"Choose a man to fight me."

If he wins, we will be your servants.
But if I win, you will be our servants."

The men in Saul's army were afraid.
They knew Goliath was stronger than they were.

No one wanted to fight him.
