Strawberry Sparkle Scrubby

Since this scrubby is a double thickness, it's a nice sturdy scrubber for any cleaning task (and you can embroider the seeds while hiding the thread between the layers). Crochet it to help you in the kitchen, then throw it in the washer and air dry.

Strawberry measures 5½" wide x 6½" long (14 x 16.5 cm).

Notes

1. Strawberry is made with 2 layers for durability. Leaf cap is a single layer folded and joined to top of strawberry.
2. You may prefer to place a stitch marker on beginning chains of each odd-numbered row of leaf cap so chains are more visible in Row 17.

Special Stitch

hdc2tog = [Yarn over, insert hook in next stitch, yarn over and pull up loop] 2 times, yarn over and draw through all 5 loops on hook.

sc2tog = [Insert hook in next stitch, yarn over and pull up a loop] twice, yarn over and draw through all 3 loops on hook.

With points of leaves facing downwards and top edges even, fold leaf cap in half and wrap around strawberry. Working through all 3 thicknesses, sc in each st across top row—9 sc. Fasten off, but do not cut; use remaining length of tail to tack points of leaves in place.

For seeds, with black yarn, embroider ¼" (6.35 mm) straight stitches randomly through both layers, drawing the yarn between the layers as needed to position seeds wherever desired.

Weave in ends.
