Frida's Flowers Blanket

Designed by Jane Crowfoot

Crochet Along*

Join in with Stylecraft's second Crochet Along starting on the 5th April 2016. Designed by Jane Crowfoot, the Frida's Flowers blanket is inspired by Mexican Folk Art and the colourful dresses worn by the Mexican artist Frida Kahlo. Created in Classique Cotton on 50g balls this blanket is a combination of 12 rich, intense shades that you will use to make Jane's exquisite floral designs.

The project is aimed at those looking to improve their skills rather than complete beginners.

Published in **8 fortnightly instalments** over 4 months all the patterns will be available to **download free** from www.stylecraft-yarns.co.uk

Every fortnight we will be publishing new patterns and you can share your progress with us on Facebook.

The number of Classique Cotton 50g balls required and the colours used:
